## Introduction

### About This Document

This document describes changes made for ABBYY FlexiCapture 12 Release 1 Patch 1.

### About the Product

ABBYY FlexiCapture 12 is a new version of the FlexiCapture product whose main goal is to provide a stable and scalable Data Capture platform which can serve as a basis for creating regional and vertical solutions.

### About the Patch

The patch is released to fix an issue and can be installed as a separate distributive or together with FlexiCapture 12 Release 1.
